Dear Comrade Voyageurs Militaire,

August 12, 2011

The fireworks are over and school is almost out for the 2010-2011 reporting year. **Three more days to make the reporting deadline!!** I have listed the Grandes that I have reports from below. If your Grande is not listed there, please contact me and let me know if I missed you. If you have internet access, you can file the report on line. Go to www.fortyandeight.org, and click on the resources tab at the top of the page. Scroll down and click on Forms and La Petite Communique. Then scroll down to Individual Reports. The Americanism Consolidated report and the Americanism Flags for First Graders report are right at the top of the list. Click on the report, fill it out, print a copy for yourself and then click on submit by email and it will go electronically to bob Molina and you will be done. Oh, yeah, please let me know once you have done that if you haven't already.

Remember, reports need to be in to Nationale (Bob Molina) no later than August 15th **. I would also like to be notified when you have sent your report in. Please help us make this a 100% reporting year for our Nationale Americanism Directeur Bob Molina, who is soon to be your 2012 Chef de Chemin de Fer.

Thanks for all you do.

God Bless America.

Steve Ash

Sous Directeur Americanism

Reports that I have or have been notified that Bob Molina has:

Kansas	Virginia	Florida	Mississippi
Arizona	California	France	Kentucky
Louisiana	North Carolina	South Carolina	Tennessee

Note: I have not touched base with Bob Molina to see what reports he has that I don't know about. I have asked him via email, but have not heard back from him. If you don't see your Grand's name on the list and you know you sent it, please email me and let me know. I will update this list on the 15th. Seriously my Comrades, we will get 100% reporting for our area this year, even if I have to help you make out your report.
