Reminder; Cheminot will be held in Kerrville will be next month, October 14-16th. This is also the time to present awards for the year. Hoping for a good turn out for the RED NECK banquet at which time additional awards will be presented.

The new 100% membership never seen before jacket will also be on display. Locale correspondants chance to win with 100% membership by the end of December. Winner will be announced and jacket will be awarded. At this point I haven't decided to travel to the winning locale or present the jacket at box car.

In my Grand travels this past week I came across this **“80% of success is Showing Up”**. What a powerful statement and in line with this years theme. If you just show up and get the information that is the first part of your COMMITMENT. Now we need to COMMUNICATE that information that we committed to, and a SUCCESSFUL outcome is the result. YOU JUST CAN'T MISS.

“JUST ASK” works and if your locale is successful they will say “CAN IT BELONG.”

Grand Chef
Dan
