I've been busy after the Promenade in Bell County clearing papers as Grand Correspondant and with the new duties as Grand Chef. Some travels have been local; July 6th went to locale 1134. I'm happy to report locale 1134 will not fold but has increased by three new (young) Navy reservists who had been overseas. I will be installing 1055 Kerrville July 16th and installation at 542 San Antonio July 20th.

Locale 1077 has been given notice and responded with three going to Locale 231 and because of health issues the rest will drop. Proceedings for charter retrieval after July 31st will proceed.

The Grand is still in need of a Directeur for Ways and Means. We need this person to find a way to support the Grand programs. Via raffle or other means he/she can come up with. Please check with your membership for an energetic person or persons to take this important position.

Membership for today is unchanged with the Grand at 107.37%

Reminder; All locale officers should have there membership paid ASAP. You are the leaders and set the example. Correspondant should report locale membership at each promenade and encourage others to pay the 2012 dues. The sooner it's done the more time devoted to new membership.

Travel plans; if anyone would like me to visit please email or call, if you would like to travel with me somewhere also let me know.

Plans are already in the works (per request from Commander) to visit a Legion post with interest in the 40&8. Jerry Brady will travel with me for this.
