To: All Voyageurs in Grand du Texas

Monsieur Voyageurs,

Hope that this finds everyone doing well.

So far this has been a great year for Grand du Texas due to the hard work of our Voyageurs. But the year is not over so we need to continue to work hard to keep Grand du Texas growing and on top.

Just got back from Central States and what a great time. This was the first time Grand du Texas has held Central States and it was outstanding. Lanny and Miriam Givens and the rest of the crew went way past what was expected. All I heard was how great everything was. They deserve a big thank you from all of us. Kathy was the taxi driver from the hotel to the post and she made about six trips. She had the Sous Chef de Chemin de Fer Foley and Chef de Chemin de Fer Passe Joe Ser III on time for there trips.

I had the pleasure of escorting the Sous Chef de Chemin de Fer Bernard Foley from California around. It was great talking to him about this great organization and his family.

We also had the pleasure of having Sous Chef de Chemin de Fer Passe Joe Ser III present. He is running for Chef de Chemin de Fer. It was great talking to him and getting some information about my truck. Thanks for your support Joe.

I would like to thank the Dames for all the hard work they did. They were every where doing everything. Without them Central States would have not been as great as it was. If your Local does not have a Cabane then you sure need to look into starting one. They will be your biggest asset.

Because of your work Texas won the membership traveling trophy at Central States. This is awarded at Central States to the state that has the highest membership on the last report from Nationale. **(GREAT JOB)**

We have ten Locales over 100% and two at a 100% this just leaves five Locales short. We still have 27 that have not renewed. With phone calls and by visiting them we should be able to get them to renew. I know that with all Voyageurs working together they can get all Locales to 100% or above. Chef de Trains you need to see if you can help in any way.

LET'S KEEP TEXAS ON TARGET

I hope that everyone is planning on attend Grand in Kerrville. You need to register as soon as possible to let V-1055 know that we appreciate there work in hosting this years Grand. As everyone knows it takes a lot of work to put on a Grand function and V-1055 always does a great job. So please support them by attending Grand.
