To: All Voyageurs in Grand du Texas

Monsieur Voyageurs,

We made it to the top and still going.

Hope that this finds everyone and there families in good health and doing great.

My goal for this year was let us strive to reach the top of the Eiffel Tower. We not only made it to the top but we are still reaching.

What a GREAT year. I can not thank everyone enough for the hard work they have done this year. I hope that this momentum will continue for years to come. It will take all of us to keep Grand du Texas growing in numbers and participation in our programs.

It has been an honor to have Chef de Chemin de Fer Jerry Brady as our leader this year. We have been fortunate to have him attend our Grand Functions and his Home Coming and there when I had questions. Thanks Monsieur Chef.

To all who put on Grand Functions this year a big thank you, all have been outstanding and could not have been done with out your support.

At this time we are at 103.37% of Quota and 99.77% of Goal. This puts us in 13th place at Nationale. This is something that we can all be proud of. It is because of your dedication and hard work that we have achieved this milestone. I know that some renewals have not reached Nationale yet so these numbers will be going up. We still have until 30 June to get any renewals or new members in to National.

It has been an honor to serve as your Grand Chef this year but without your help we wouldn't have a Grand.

**MAY GOD BLESS EACH OF YOU, MAY GOD BLESS OUR TROOPS AND
MAY GOD BLESS THE UNITED STATES OF AMERICA**

Don't forget the Grand Promenade in Kerrville this month. It would be great to have as many there as possible. We will be electing new officers for next year and we need officers that are willing to put in the hard work needed to improve our programs and conduct Grand business to make Grand du Texas the best it can be.
