TO: All Local Chef de Gar's and  
Correspondant in Grand du Texas

Now is the time that we need to start getting dues from members who haven't paid for 2010. I don't know why Voyagers like to wait to pay there dues.

I'm asking that you or your representative contact all delinquent members within the next four week and try to collect their dues. You will be surprised at how many will pay just because they were contacted.

If any Voyager has a problem paying his/her dues then we need to know so we can help.

If you and your team will call or visit someone that is delinquent then maybe we can reach the goal of 100% by December 31.

As always I am here to help anyway I can.

Yours in Service for La Societe
