MEMBERSHIP REMINDER:

We are now at sixteen days until the end of the year, at which time we should be at 100% membership. We are at 76% now but many of the locales only have one or two, to go to achieve 100% membership. This is a busy time for year for all but with one phone call could get that one or two more people with outstanding dues in. Our National Chef is from Texas and as Texans we need to show support and put us on the top.

South Dakota had time to start a new locale, the National Chef made time to be there, we need to take a moment to contact the outstanding members. We can make our Chef proud of Texas and on top. Make the call.
