December 7, 1941 a day America will never forget. Veterans of WWII still living a day of sadness and tears, for those remembered. A day with an outcome which gave us the freedom we enjoy today. We thank them for the sacrifice made.

For those veterans yet to see the memorial in Washington, you're missing a chance of a lifetime. I would recommend if possible making the trip.

Saturday the 5th V-542 presented eight nursing scholarships at the annual pancake breakfast. I was pleased to represent the Grand du Texas at the presentation along with the National Chef Brady, Lanny Givens, and John Pepin. The people present were very pleased with everything that took place. Chef de Gare collected the outstanding dues to put them at 100%, one new PG and two others will turn in papers this month. JUST ASK it works, just ask Lowell Mix.

Congratulations on a great program.
