Grand Chefs De Gare, Grand Correspondants and Grand Directeurs
Greetings:

Now that the year is half over, I am still awaiting some type of communication from the field. Mark Moots of Alabama confirmed his contact information. John Garvey from Florida has taken hats for sale and ordered wristbands and pins. Other than that is the extent of communication from all Directeurs, Grand Chefs and Correspondants. Without your input I cannot predict how the program will fare in our area. So please let me know at your earliest convenience your present standing with your program. I till have 30 hats available for immediate shipment @ \$10.00 each. Pin orders go direct to dick George. If I can be of service in any way, please do not hesitate to e-mail me or telephone me at the contact information in the letterhead.

Please keep in mind that the POW/MIA table dedication is a powerful tool to bring our program to the forefront not only in our Veterans organizations but also in affiliated fraternal organizations such as the moose, Elks, Eagles. In Florida many of these lodges have requested such dedications and that is the perfect time and place for sales of our program items, so be alert to any local lodge including FOP lodges that may wish such a ceremony.

Thanks for all that you do for our great organization.
In service to LaSociete

Joe Nolan
