Grand Cabane de Texas*

Hello Dames:

July 18, 2010

I hope everyone is doing well.

Voyageur 1031 carried off a wonderful wreck this week end. It was just sad to see the lack of participation. I hope future efforts are rewarded with attendance. I will be in San Antonio on the 21st of July to install there new Cabane 542 officers. Congratulations on La Cabane 542 and may it grow and prosper. The Grand Chef and I will be heading to Oklahoma Grand this coming weekend.

Please make an effort to ask someone to join your Cabane. Sometimes it just takes an invitation. If you see a Voyageurs wife who is not a member tell them what we do and how we play a big part in supporting the 40/8 programs.

Merci,
Kathy E. Wheeler
